

FEATURES

Cabinet Features

- Models EA4M-2025/2020/1625 are whole home air cleaners.
- Unit operation is completely silent.
- The only maintenance required is replacement of the disposable media.
- Outer housing is heavy gauge, preassembled galvanized steel, with an electrostatic painted finish.
- Self-aligning door easily snaps into place every time.
- Product and media are UL classified.
- Product has a lifetime warranty from the date of installation to be free from defects in materials or workmanship. Media is disposable and does not apply to warranty.
- Narrow 6.75" cabinet for easier installations and more flexible applications.

Replacement Media Features

- Traps and permanently removes over 90% of pollen-sized particles (5.0 microns) and over 90% of mold and spore-sized particles (3.0 microns).
- Collapsible media with self spacing pleats installs in seconds.
- Media replacement is recommended after one to two years depending on air flow.
- SelfSeal™ dramatically reduces air bypass, improving filter performance.
